Case number 06-462 GMS

January 1, 2008

To The Honorable Judge,

Happy New Year. The purpose of this correspondence is to inform you that Delaware Technical and Community College has not agreed to reinstate me as a student. Also, we could not agree on the joint stipulation. Enclosed are the e-mails that pertain to the stipulation.

In conclusion, I would appreciate it if you put an order into effect informing them to allow me to return to the college as a student.

Thank you.

Respectfully submitted,

*Christina Paoli*

To the Registrar at DelTech College  
To Dean Goldstein (Ragan)

Please reinstate me as a student at Del Tech. I have finished the year "off" due to your unfair ruling. I went to the Doctor as you requested. I was informed that no doctor (or anyone) could ever attest to another person's future actions or abilities". Your conditions are unreasonable, unfair and impossible for me to meet. Please do the right thing and reinstate me as a student.

Furthermore, I need to know if I still have my "incompletes" so I can complete the final exams & receive credit for all of my classes. Please mail me information at 600 Third Street

Ms. Paoli,

Unfortunately, the College is closed until January 7th and I am unable to reach anyone to discuss modifying the stipulation. However, we feel that the stipulation I forwarded is an accurate statement of your current enrollment status. If we are unable to agree on this, I will so notify the Court.

Very truly yours,

Marc Casarino

Subject: Third e-mail to you in 3 days.....PLEASE RESPOND AND/OR ANSWER THIS E-MAIL

Dear Mr. Casarino,

Hello. I called your office twice today because the 1 judge's 10 day stipulation deadline is pending. After my second call, your secretary called me back and said that you did respond to my e-mail. I did not receive an e-mail response from you. I have every e-mail that I received in the last two weeks saved. I did, however, receive a copy of your version of the stipulation which is not agreeable to me.

Several months ago, I did meet with a doctor as per Del Tech's request. I was told that no doctor in the world could not ever "attest to anyone's future actions or abilities". Del Tech knew this because I did forward that information along with a generic doctor's note stating that I could return to school to Del Tech. As I stated to you and Del Tech previously, I feel this unreasonable request is just another form of Del Tech's harassment, retaliation and unfairness. Del Tech is continuing to violate my civil rights by not allowing me to attend school. Please reinstate me as a student immediately. The new semester begins next week. PLEASE RESPOND TO THIS E-MAIL.

THANK YOU, Christina Paoli

Subject: stipulation response to Judge's Dec. 18 order

Dear Marc,  
Merry Christmas.  
This e-mail is my stipulation pertaining to the Judge's order dated  
December 18, 2007. As you know, we have  
10 days to submit a stipulation pertaining to my enrollment status.

My status as a student is re-enrolled and/or reestablished immediately.  
1.) I should be allowed to be on the premises for classes, sporting  
events, use of the library and other  
community events.  
2.) My grades for the classes from before I was wrongfully  
suspended/dismissed will be reinstated using my  
previously earned averages as the final grades. My averages ranged from  
93 to 100 percent (I believe) in  
all of my classes when they were modified to incompletes prior to the  
dismissal.  
It would be unfair and a large injustice to expect me take final exams  
from two years ago when (in my opinion)  
the college's wrongful actions prevented me from taking the finals  
previously.  
3.) I am permitted to sign up for classes for the beginning of the  
spring semester which begins in January.  
The college assists is accommodations as needed and/or if needed to  
facilitate reentry into the college.  
4.) You remove the ban which was given to certain faculty members (in  
writing) forbidding them from talking to  
me or e-mailing me.

Thank you for consideration with this matter. My phone number is  
302-260-1036.

Take Care, Chris
